OBJECTIVE

Kunyang Primary School's objective is to ensure that our program is designed to develop globally connected and internationally minded students through the implementation of the International Baccalaureate Primary Years Programme. We are committed to the philosophy of student-centred, inquiry-based learning. Programs are personalised to ensure student learning is optimised and our students are engaged and challenged. We strive to ensure all students leave Kunyang Primary School as agentic learners, who are empowered to make informed

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.
