

Kunyang Primary School Year 6 Parent Contributions 2024

Dear Kunyang Families,

Kunyang Primary School is looking forward to another great year of teaching and learning and would like to advise you of Kunyang Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. At Kunyang we all work together to ensure our whole school community is the best it can be.

We all play our part! Our students come to school ready to participate in class and have a passion and thirst for learning. Our staff work hard at what is important, developing positive relationships with student, families and colleagues and moving in and out of inquiry and explicit teaching and learning. Our families do everything possible to ensure students come to school ready physically and mentally to learn.

Whilst the Department of Education funds our staffing and the majority of resources we require, there are some things that we value that we rely on your help with financially.

Please find attached Kunyang Primary School's voluntary financial contributions for 2024.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

PLEASE NOTE PAYMENT OF 2024 FEES IS NOT DUE UNTIL FEBRUARY 2024

WE REQUEST YOU DO NOT MAKE PAYMENT UNTIL NEXT YEAR

Yours sincerely,

Kim Jackson, Principal

Mercil Lariba, School Council President
